

I am a listener of K-Love and feel that it is a great asset to our community. I think it would hurt our community if it would be displaced by an LPFM broadcaster that may have less wholesome and uplifting programming. The service provided by K-Love is excellent for the whole family, it is encouraging and uplifting during these difficult times. It is also informative. Please assure that an FM station such as K-Love cannot be replaced by an LPFM station. Thank you.
